# Variable Savings Interest Rates

Effective 27 October 2020

1. Please refer to our savings account brochures in conjunction with this interest rate leaflet.
2. Gross rate is the contractual rate of interest payable without tax taken off.
3. It is your responsibility to declare any interest you earn over your Personal Savings Allowance directly to HMRC.
4. AER stands for Annual Equivalent Rate and illustrates what the rate would be if interest was paid and compounded each year [as every advert for a savings product which quotes an interest rate will contain an AER, you will be able to compare more easily what return you can expect from your savings over time].
5. The tax free rate is the contractual rate of interest payable where interest is exempt from income tax.
6. The Melton Mowbray Building Society is a participant in the Financial Services Compensation Scheme established under the Financial Services and Markets Act 2000.
7. Rate of interest payable depends on individual circumstances and may be subject to change in the future.
8. Tax treatment depends on individual circumstances and may be subject to change in future.
