TARIFF OF MORTGAGE CHARGES

Effective 1 January 2024

The Melton Building Society is working closely with the mortgage industry and Which? to make fees and charges easier for you to understand. Fees and charges are now being explained in a consistent way across the industry to help you compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

Before your first monthly payment – these are the fees and charges you may have to pay before we transfer your mortgage funds.		
Name of charge	What this charge is for	How much is this charge?
Application fee*	Assessing and processing your application (this is non refundable even if your application is unsuccessful or you withdraw it). This may not be charged for existing customers.	Varies by product. Details available upon request.
Electronic transfer	Electronically transferring funds by CHAPS.	£25
Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your mortgage transaction. You may be required to pay legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	Variable. These fees are charged by your Solicitor directly to you.
Product fee We call this a completion fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	Varies by product. Details on request.
Deed of postponement	Where a secured loan is to remain on completion of a new mortgage we will require a Deed of Postponement from your existing secured loan provider.	£60
Valuer's reinspection fee	If your mortgage is released in stages and you are using it to renovate your home, this covers the new valuation we need to do after the work is carried out.	£100
Revaluation	Where an up to date valuation of your property is required. In certain circumstances a full valuation will be carried out (see Main Advance Valuation Fees below). In these instances you will be advised of the fee payable before your further advance application is processed.	£100

Valuation fees*

The lender's valuation report, which is used to calculate how much it will lend you. This is separate from any valuation or survey of the property you might want to commission.
